2018 NMRHCA Medicare Default Notice Update

New Mexico Retiree Health Care Authority is implementing the following change regarding our Medicare default strategy in 2018.

As you know, NMRHCA is defaulting members aging into Medicare to the appropriate Medicare Advantage Plan. **All members can still select from 1 of 9 Medicare Plan options.** Those members who do not make a selection will be defaulted. However, as of April 1, 2018, members who are participating in either the Presbyterian Premier or Value Plan will default to Presbyterian Medicare Advantage Plan I. Members who are participating in the Blue Cross Blue Shield Premier or Value Plan or the New Mexico Health Connections Value Plan will continue to default to Humana Plan I.

If you have any questions or concerns about this change, please call 800-233-2576 or email CustomerService@state.nm.us.
