The Deductible must be met before benefit payments are made. (Deductible may be waived for routine/preventive services, drugs and other services as indicated on the Summary of Benefits.)

After Member reaches the applicable Out-of-Pocket Maximum, the Plan pays 100 percent (up to Reasonable and Customary for Out-of-network Providers) of most of that Member’s covered charges. (Copayments are not waived after the Out-of-Pocket Maximum is met.)

## Footnotes:

- <sup>1</sup> Certain services are **not Covered** if prior approval is not obtained from the plan administrator. See Section 2 of the Member Benefit Booklet for a list of services requiring prior approval.
- <sup>2</sup> Admission review is required for Inpatient Admissions. Some services, such as transplants and physical rehabilitation, require additional approval. If you do not receive approval for these individually identified procedures and services, benefits for any related Admissions will be denied. See Section 2 of the Member Benefit Booklet for details.
- <sup>3</sup> Initial treatment of a Medical Emergency is paid at In-network Provider level. Follow-up treatment from an Out-of-network Provider and treatment that is not for an emergency is paid at Out-of-network Provider level. The Emergency Room copayment does not include related physician charges (which will be subject to deductible and coinsurance). The Emergency Room/Observation Room copay is waived if the Member is subsequently admitted.
- <sup>4</sup> Rental benefit for medical equipment and other items will not exceed the purchase prices of a new unit.
- <sup>5</sup> Services administered by a licensed medical doctor (M.D.), doctor of osteopathy (D.O.), physical therapist (R.P.T. or L.P.T.), licensed massage therapist (L.M.T.), doctor of oriental medicine (D.O.M.), and doctor of chiropractic (D.O.C.) are Covered. Rolfing must be provided by a certified Rolfer.
