REGARDING MEDICARE ELIGIBILITY

You, your spouse, and/or your dependent(s) may be eligible for Medicare Part A, if you, your spouse, and/or your dependent(s) are age 65 or older or receive Social Security Disability or Railroad Retirement benefits.

If you are eligible for Medicare Part A (Hospital), you must also apply for Medicare Part B (Medical). If you do not purchase Medicare Part B, you will be responsible to pay 100% of those charges.

Even though Medicare allows you to reject Part B, you are *required* to carry Parts A and B in order to enroll in all NMRHCA Senior plans.

All NMRHCA Medicare Medical Plans include Part D (prescription) coverage.

To determine whether you have Part A and/or B, look at your Medicare card. It shows the Medicare coverage you have: Hospital Insurance (Part A), Medical (Physician) Insurance (Part B), or both. For information on how to enroll into Medicare, please call the Social Security Administration at 1-800-772-1213 or your local Social Security office.

Please call our office at 1-800-233-2576 if you are Medicare eligible and do not have Part A and/or Part B.

*If necessary the items listed in the Application Checklist can be submitted **within 31 days after your retirement date or last day of insurance coverage** through your employer however, it is strongly advised that the application be submitted between 30 to 60 days prior to enrollment.
