Report of Independent Auditors

Members of the Board of Directors of the
New Mexico Retiree Health Care Authority and
Mr. Wayne A. Johnson, New Mexico State Auditor

We have audited the accompanying schedule of employer allocations of New Mexico Retiree Health Care Authority (the Authority), a fiduciary fund of the State of New Mexico, as of and for the year ended June 30, 2017, and the related notes. We have also audited the totals for all employers of the columns titled net OPEB liability as of June 30, 2017, net OPEB liability as of June 30, 2016, deferred inflows of resources, and OPEB expense as of and for the year ended June 30, 2017, included in the accompanying schedule of OPEB amounts by employer (specified column totals), and the related notes.

Management's Responsibility for the Schedules

Management is responsible for the preparation and fair presentation of these schedules and specified column totals in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the schedules that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on the schedule of employer allocations and the specified column totals included in the schedule of OPEB amounts by employer based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether these schedules and specified column totals are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the schedule of employer allocations and the specified column totals included in the schedule of OPEB amounts by employer. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of these schedules and specified column totals, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the schedule of employer allocations and the specified column totals included in the schedule of OPEB amounts by employer in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the schedule of employer allocations and the specified column totals included in the schedule of OPEB amounts by employer.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the schedules referred to above present fairly, in all material respects, the net OPEB liability as of June 30, 2016, the employer allocations of the Authority as of and for the year ended June 30, 2017 and the net OPEB liability, total deferred inflows of resources, and total proportionate share of plan OPEB expense for the Authority as of and for the year ended June 30, 2017 in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the schedules. The schedule of deferred OPEB amortization by employer, net OPEB liability sensitivity by employer – discount rate, and net OPEB sensitivity by employer – trend rate (collectively, the supplementary information) are presented for purposes of additional analysis and are not a required part of the schedule of employer allocations and the specified column totals included in the schedule of OPEB amounts by employer. The supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the schedules. Such information has been subjected to the auditing procedures applied in the audit of the schedule of employer allocations and the specified column totals included in the schedule of OPEB amounts by employer and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the schedules or to the schedules themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the supplementary information is fairly stated in all material respects in relation to the schedule of employer allocations and the specified column totals included in the schedule of OPEB amounts by employer as a whole.

Financial Statements

We have audited, in accordance with *Government Auditing Standards* generally accepted in the United States of America, the financial statements of the Authority as of and for the years ended June 30, 2017, and our report thereon dated November 21, 2017 expressed an unmodified opinion on those financial statements.

Restriction on Use

Our report is intended solely for the information and use of New Mexico Retiree Health Care Authority, members of the Board of New Mexico Retiree Health Care Authority, the State of New Mexico Legislature, and participating employers of the New Mexico Retiree Health Care Authority and their auditors, and is not intended to be and should not be used by anyone other than these specified parties.

New Mexico Retiree Health Care Authority

Notes to the Schedules

Note 1 – Retiree Health Care Act Plan

The New Mexico Retiree Health Care Authority (the Authority) was formed February 13, 1990, under the New Mexico Retiree Health Care Act (the Act) of New Mexico Statutes Annotated, as amended (NMSA 1978), to administer the Retiree Health Care Fund (the Fund) under Section 10-7C-1-19 NMSA 1978. The Fund was created to provide comprehensive group health insurance coverage for individuals (and their spouses, dependents and surviving spouses) who have retired or will retire from public service in New Mexico.

The Fund is a multiple employer cost sharing defined benefit healthcare plan that provides eligible retirees (including terminated employees who have accumulated benefits but are not yet receiving them), their spouses, dependents and surviving spouses and dependents with health insurance and prescription drug benefits consisting of a plan, or optional plans of benefits, that can be contributions to the Fund and by co-payments or out-of-pocket payments of eligible retirees. Employees of the Authority also participate in the Fund.

The Act created a governing Board of Directors (the Board) comprised of not more than 12 members. Members of the Board include the following individuals:

1. One member who is not employed by or on behalf of, or contracting with, an employer participating in or eligible to participate in the Act, and who shall be appointed by the Governor to serve at the pleasure of the Governor;
2. The director of the Educational Retirement Board (ERB) or the ERB director's designee;
3. One member to be selected by the Public School Superintendent's Association of New Mexico;
4. One member who shall be a teacher who is certified and teaching in elementary or secondary education to be selected by a committee composed of one person designated by the New Mexico Association of Classroom Teachers, one person designated by the National Education Association of New Mexico and one person designated by the New Mexico Federation of Teachers;
5. One member who shall be an eligible retiree of a public school and who shall be selected by the New Mexico Association of Retired Educators;
6. One member who shall be an eligible retiree of an institution of higher education participating in the Act and who shall be selected by the New Mexico Association of Retired Educators (the institutions of higher education do not currently have the requisite number of participants for board representation);
7. The executive secretary of the Public Employees' Retirement Association (PERA) or the PERA executive secretary's designee;
8. One member who shall be an eligible State government retiree and who shall be selected by the Retired Public Employees of New Mexico;
9. One member who shall be an elected official or employee of a municipality participating in the New Mexico Retiree Health Care Act to be selected by the New Mexico Municipal League;

Note 1 – Retiree Health Care Act Plan (continued)

10. One member who shall be an elected official or employee of a county participating in the Act to be selected by the New Mexico Association of Counties;
11. The State Treasurer or the State Treasurer’s designee; and
12. One member who shall be a classified State employee selected by the Personnel Board in response to statutory amendment.

Every member of the Board serves at the pleasure of the party or parties that selected that member. The Board elects from its membership a president, vice president, and secretary.

The Board may enter into contracts or arrangements with consultants, professional persons or firms as may be necessary to carry out the provisions of the Act. Other legal duties of the Board are defined by the Act.

The plan has 310 participating employers and 160,035 current members, including active employees, terminated eligible members, retirees, and surviving spouses. As of June 30, 2017, membership in the plan consists of the following:

Plan membership	
Current retirees and surviving spouses	51,208
Inactive and eligible for deferred benefit	11,478
Current active members	97,349
	<u>160,035</u>
Active membership	
State general	19,593
State police and corrections	1,886
Municipal general	21,004
Municipal police	3,820
Municipal FTRE	2,290
Educational Retirement Board	48,756
	<u>97,349</u>

The Authority is an independent agency of the State of New Mexico. The funds administered by the Authority are considered part of the State of New Mexico financial reporting entity and are OPEB trust funds of the State of New Mexico. The Authority’s financial information is included with the financial presentation of the State of New Mexico.

New Mexico Retiree Health Care Authority

Notes to the Schedules

Note 1 – Retiree Health Care Act Plan (continued)

The Authority has developed criteria to determine whether other state agencies, boards or commissions which benefit the members of the Authority should be included within its financial reporting entity. The criteria include, but are not limited to, whether the Authority exercises oversight responsibility on financial interdependency, selection of governing authority, designation of management, ability to significantly influence operations and accountability for fiscal matters, scope of public service, and special financing relationships. Based on these criteria, management has determined that no other such entities should be included in its financial reporting entity. The Authority does not have any component units.

Because the Authority is a self-funded, mainly self-insured entity pursuant to Section 10-7C NMSA 1978, the Authority is not construed to be transacting insurance activity otherwise subject to the laws of the State of New Mexico that regulate insurance companies and therefore, not subject to minimum statutory reserve requirements.

Employer and employee contributions to the Authority total 3% for non-enhanced retirement plans and 3.75% of enhanced retirement plans of each participating employee's salary as required by Section 10-7C-15 NMSA 1978. The contributions are established by statute and are not based on an actuarial calculation. All employer and employee contributions are non-refundable under any circumstance, including termination of the employer's participation in the Authority.

Current retirees are required to make monthly contributions for individual basic medical coverage. The Board may designate other plans as "optional coverages." See Section 10 7C-13 NMSA 1978 for more details.

Note 2 – Basis of Accounting and Measurement Focus

The Schedules are prepared using the economic resource measurement focus and the accrual basis of accounting in accordance with the standards issued by the Government Accounting Standards Board (GASB). Contributions are recognized when due. Benefits and refunds are recognized when due and payable in accordance with the terms of the plan. Investments are reported at fair value. For the purposes of measuring the net OPEB liability, deferred inflows of resources related to the OPEB, and OPEB expense, information about the fiduciary net position of the Authority and additions to and deductions from Authority's fiduciary net position have been determined on the same basis as they were reported by Authority. Each participating employer's proportionate share of the Fund's net OPEB liability, deferred amounts and OPEB expense is calculated based on the employer's contributions to the Fund as a percentage of total employer contributions received by the Fund during the measurement year.

The preparation of the schedules in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain amounts and disclosures for the reporting period. Actual results could differ from those estimates.

Notes to the Schedules

Note 3 – Net OPEB Liability

The plan's actuarial valuation and measurement of the net OPEB liability and other OPEB amounts were performed by the Authority's independent actuary as of June 30, 2017. The plan's valuation and measurement of the total OPEB liability and related net OPEB liability were performed in accordance with GASB No. 74. The components of the net OPEB liability as of June 30, 2017 are as follows:

	<u>June 30, 2017</u>
Total OPEB liability	\$ 5,111,141,659
Plan fiduciary net position	579,468,641
Net OPEB liability	<u>\$ 4,531,673,018</u>

Plan fiduciary net position as a percentage of the total OPEB liability (funded status)	11.34%
---	--------

Actuarial Valuation

The total OPEB liability as of June 30, 2017 was determined by an actuarial valuation as of June 30, 2017. The mortality, retirement, disability, turnover and salary increase assumptions are based on the PERA annual valuation as of June 30, 2016 and the ERB actuarial experience study as of June 30, 2016. The following actuarial assumptions were applied to the actuary's measurement:

Valuation Date	June 30, 2017
Actuarial cost method	Entry age normal, level percent of pay, calculated on individual employee basis
Asset valuation method	Market value of assets
Actuarial assumptions:	
Inflation	2.50% for ERB members; 2.25% for PERA members
Projected payroll increases	3.50%
Investment rate of return	7.25%, net of OPEB plan investment expense and margin for adverse deviation including inflation
Health care cost trend rate	8% graded down to 4.5% over 14 years for Non-Medicare medical plan costs and 7.5% graded down to 4.5% over 12 for Medicare medical plan costs
Mortality	ERB members: RP-2000 Combined Healthy Mortality Table with White Collar Adjustment (males) and GRS Southwest Region Teacher Mortality Table (females) PERA members: RP-2000 Combined Healthy Mortality

Rate of Return

The long-term expected rate of return on OPEB plan investments was determined using a building-block method in which the expected future real rates of return (net of investment fees and inflation) are developed for each major asset class. These returns are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage, adding expected inflation and subtracting expected investment expenses and a risk margin. The target allocation and projected arithmetic real rates of return for each major asset class, after deducting inflation, but before investment expenses, used in the derivation of the long-term expected investment rate of return assumptions.

New Mexico Retiree Health Care Authority

Notes to the Schedules

Note 3 – Net OPEB Liability (continued)

The best estimates for the long-term expected rate of return is summarized as follows:

Asset Class	Target Allocation	Long-Term Rate of Return
U.S. core fixed income	20%	4.1%
U.S. equity - large cap	20%	9.1%
Non U.S. - emerging markets	15%	12.2%
Non U.S. - developed equities	12%	9.8%
Private equity	10%	13.8%
Credit and structured finance	10%	7.3%
Real estate	5%	6.9%
Absolute return	5%	6.1%
U.S. equity - small/mid cap	3%	9.1%

Discount Rate

The discount rate used to measure the total OPEB liability is 3.81% as of June 30, 2017. The projection of cash flows used to determine the discount rate assumed that employer contributions will be made at rates proportional to the actuary determined contribution rates. For this purpose, employer contributions that are intended to fund benefits of current plan members and their beneficiaries are included. Projected employer contributions that are intended to fund the service costs for future plan members and their beneficiaries are not included. Based on those assumptions, the Fund's fiduciary net position was projected to be available to make all projected future benefit payments for current plan members through the fiscal year ending June 30, 2028. Thus, the 7.25% discount rate was used to calculate the net OPEB liability through 2029. Beyond 2029, the index rate for 20-year, tax exempt general obligation municipal bonds with an average rating of AA/Aa or higher. Thus 3.81% is the blended discount rate.

Basis for Allocation

The employers' proportionate share, reported in the Schedule of Employer Allocations, is calculated using employer contributions for employers that were members of the Authority as of June 30, 2017.

Sensitivity of the Net OPEB Liability

The following presents the net OPEB liability, calculated using the discount rate of 3.81%, as well as what the Fund's net OPEB liability would be if it were calculated using a discount rate that is 1-percent lower or 1-percent higher than the current rate:

1% Decrease (2.81%)	Current Discount (3.81%)	1% Increase (4.81%)
\$ 5,496,848,763	\$ 4,531,673,018	\$ 3,774,405,896

Note 3 – Net OPEB Liability (continued)

The following presents the Net OPEB Liability of NMRHCA as of June 30, 2017, as well as what the Fund's Net OPEB Liability would be if it were calculated using a health cost trend rate that is 1-percentage-point lower or 1-percentage-point higher than the health cost trend rates used:

1% Decrease	Current Trend Rates	1% Increase
\$ 3,854,499,980	\$ 4,531,673,018	\$ 5,059,700,584

Report of Independent Auditors on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards*

The Board of Directors
New Mexico Retiree Health Care Authority
Mr. Wayne A. Johnson
New Mexico State Auditor

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the schedule of employer allocations of New Mexico Retiree Health Care Authority (the Authority) for the year ended June 30, 2017, and the related notes. We have also audited the totals for all employers of the columns titled net OPEB liability as of June 30, 2017, net OPEB liability as of June 30, 2016, deferred inflows of resources, and OPEB expense as of and for the year ended June 30, 2017, included in the accompanying schedule of OPEB amounts by employer, and the related notes and have issued our report thereon dated June 15, 2018.

Internal Control Over Financial Reporting

In planning and performing our audit of the schedules, we considered the Authority's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the schedules, but not for the purpose of expressing an opinion on the effectiveness of the Authority's internal control. Accordingly, we do not express an opinion on the effectiveness of the Authority's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Authority's schedules are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
