IMPORTANT INFORMATION YOU NEED TO KNOW

Note: This informational sheet is intended as a summary to, and not a replacement of, provisions of the Retiree Health Care Act (Act) or NMRHCA Rules and Regulations (which can be found on the NMRHCA website: www.nmrhca.org)

ELIGIBILITY

Eligible Retiree: You are eligible to participate in the NMRHCA if:

- You receive a disability or normal retirement benefit from public service in New Mexico with an NMRHCA-participating employer, **and**
- You did one of the following:
 - you retired with a pension before your employer's effective date with the NMRHCA program, *or*
 - you and/or your employer (on your behalf) made contributions to the NMRHCA fund from your employer's NMRHCA effective date until your date of retirement, *or*
 - you and/or your employer (on your behalf) made contributions to the NMRHCA fund for at least five years before your date of retirement.

(If you are awarded a duty-related disability retirement, you are not required to meet the NMRHCA's five-year contribution rule.)

Eligible Dependent: Eligible dependents include the following:

- a spouse. *You must provide a copy of the marriage certificate.*
- a domestic partner. *You must provide a signed and notarized affidavit (available at the NMRHCA office).*
 - domestic partners are enrolled similarly to spouses
 - dependents of domestic partnerships are eligible for benefits
 - we may ask for other written proof of the domestic partnership and/or dependents
 - if there is a termination of a domestic partnership, the retiree must notify NMRHCA in writing within 31 days of the termination
- a dependent child under the age of 26 including:
 - a natural child
 - a legally adopted child
 - a stepchild living in the same household who is primarily dependent on the eligible retiree for maintenance and support
 - a child for whom the eligible retiree is the legal guardian and who is primarily dependent on the eligible retiree for maintenance and support, as long as evidence of the guardianship is provided in a court order or decree
 - a foster child living in the same household as the eligible retiree

You must provide a copy of birth certificate(s) and court documents (if applicable) to the NMRHCA.

- a dependent child over age 26 who is wholly dependent on the eligible retiree for maintenance and support and is incapable of self-sustaining employment by reason of mental or physical handicap. The disability must have occurred before the limiting age.

Proof of incapacity and dependency must be provided *within 31 days* after the child reaches the limiting age.

- a surviving spouse (the spouse to whom a deceased eligible retiree/ vested-active employee was married at the time of death) *or* a surviving dependent child of a deceased eligible retiree/ vested-active employee.

ENROLLMENT

- It is best to submit your application at least one month but not to exceed 60 days from your retirement date to allow adequate time for the agency to process your application.
- *If you are enrolling more than 31 days after retirement underwriting approval for Life Insurance is required.*
- Please be advised it takes a minimum of 3 business weeks for an application to process.
- You must enroll within 31 days following either your last day of current medical insurance coverage or your retirement date that is on record with your retirement board; whichever is later. Your effective date of coverage will take effect on the first day of your official retirement or the first day of the month following the termination date of your current medical insurance plan, again, whichever is later.
- If you do not apply within this time frame, you will be required to wait until the next Open Enrollment period.
- You may enroll a dependent only under one of the following circumstances: (1) there is a change in status which makes someone newly eligible as your dependent (e.g., marriage, birth); (2) an unenrolled eligible dependent *involuntarily* loses his or her medical coverage; or (3) during an Open Enrollment Period. For newly eligible dependents, you must apply for dependent coverage within 31 days of the event that caused the new eligibility (*copies of marriage, birth, or court documents required*).

PURCHASING SERVICE CREDIT

- In the 2009 legislative session, a bill was passed that requires payment of Retiree Health Care Authority (RHCA) contributions for service credit purchased from PERA and ERB toward retirement. Effective July 1, 2009, members who enroll in RHCA at the time of retirement must pay contributions on the PERA and ERB service credit before being eligible for insurance coverage.
- This contribution provision only affects members who are applying for insurance at the time of retirement. PERA and ERB will be providing RHCA with verification of a member's earned service credit and any purchased credit. RHCA will then calculate the cost of the RHCA contributions owed on the purchased service credit. Payment will be required for those retirees with less than 20 years of actual time worked and are purchasing time toward their retirement after July 1, 2009.

For further information, please contact the NMRHCA office for complete details of purchasing service credit.

SPLIT COVERAGE

- If the retiree is covering a spouse or dependent(s) under their plan, they must have the same level of benefits as the retiree (with the exception if one of the members in the household is Medicare eligible and the other member is not Medicare eligible). For example, if the retiree selects the Premier plan, the spouse or any dependents covered by the retiree must also be on the Premier plan.

CANCELLATION OF COVERAGE

- Subscribers may cancel coverage by submitting written notification to the New Mexico Retiree Health Care Authority (NMRHCA). Cancellation will take effect beginning with the first day of the month following receipt of notification by the NMRHCA. Effective date of cancellation is not retroactive.
- If a dependent becomes ineligible through joining the military, death, divorce, annulment, or legal separation, coverage ceases at the end of the month in which the event occurred. Again, it is your responsibility to notify us in writing and supporting documentation may be requested.

RETURN TO WORK

- If you take new employment after your retirement or choose to be covered under your spouse's coverage, you may choose one of two NMRHCA options:
 - Delay or terminate your enrollment in the NMRHCA and take your new employer's plan or spouse's plan. Under this option, you will be allowed to enroll into the NMRHCA at a later date, if you apply within 31 days of your *involuntary* loss of coverage (see below for examples) *and* there has been no lapse in your comprehensive medical coverage since your retirement. You will be required to submit evidence of continuous coverage and involuntary loss when you apply for NMRHCA enrollment. **Examples of involuntary loss of coverage** are (1) termination of your employment; (2) retirement from your new employer, causing your employer to cancel your health care benefits; (3) cancellation of your health care benefit program by the employee; and (4) dissolution of the company.
 - Take the new employer's plan of benefits and enroll yourself and your eligible dependents into the NMRHCA, thus receiving health care benefits from both plans through the NMRHCA's and your new employer's insurance carrier's Coordination of Benefits Provision. Please note that the Retiree Health Care Act requires that the NMRHCA program of health care benefits be secondary to your employer's benefit plans. This means your claims will be paid primarily by your employer's insurance plan, and then the balance will be considered by your NMRHCA insurance plan.
- If your employer does not offer medical coverage, you will need to submit a letter from your employer verifying that no insurance is offered or available in order for NMRHCA benefits to remain as primary.

CHANGE IN STATUS

If there is a change in your name, address, phone number, marital status, or dependent status, or if you wish to request a change in your benefit plans, life insurance beneficiary, or method of premium contribution payment, please call us immediately or visit our website to obtain a Change Request Form or submit a letter of request in writing.
