### Saving with Home Delivery

When you get maintenance medications (those prescription drugs you take regularly) at a retail pharmacy, you could be paying more than you need to. Use home delivery from Express Scripts® Pharmacy for medications to treat an ongoing condition (3 months or longer). We will deliver up to a 90-day supply right to you with free standard shipping.

### Saving with Generics

FDA-approved generics are as safe and effective as their brand-name counterparts. If you're taking a brand-name drug, talk to your doctor and ask whether a less expensive generic drug could treat your condition. If your doctor agrees, ask your doctor to write a new prescription for the generic that you can fill through your prescription benefit.

#### Home Delivery... it's quick and easy

Call us and we will contact your doctor to get a new 90-day prescription or have your doctor fax it to us.
