

NMRHCA Seminar: Understanding Medicare

Understanding Medicare, what it covers and what options are available can be a confusing and daunting task to figure out. To help our Medicare retirees manage their healthcare, NMRHCA offers Medicare Informational Sessions. Below is the 2022 schedule. Due to COVID, 2022 will begin with virtual sessions only. A combination of virtual and live sessions is tentatively scheduled starting in April allowing you to choose the format that suits you best. The schedule will be updated depending on COVID status as we approach those dates.

Live events will be held in the NMRHCA board room, are limited to 25 attendees, require pre-registration and the applicable safety guidelines that apply at the time of the meeting to include, but not limited to wearing a mask, will be followed, without exception.
