Footnotes:

- ¹ The deductible must be met before benefit payments are made (excluding emergency room facility charges; Preferred Provider routine/preventive services, office visits, urgent care facility visits, and lab, X-ray and diagnostic tests; and hearing aids for members under age 21).
- ² After a member reaches the applicable out-of-pocket limit, the Plan pays 100 percent of most of that member's covered charges for the remainder of the calendar year.
- ³ Follow-up treatment from a Nonpreferred Provider requires prior authorization.
- ⁴ Certain services are not covered if prior approval is not obtained from the Claims Administrator. See a Member's Benefit Booklet for a list of services requiring prior approval.
- ⁵ Admission review is required for inpatient admissions. Some services, such as transplants and physical rehabilitation, require additional approval. If you do not receive approval for these individually-identified procedures and services, benefits for any related admissions will be denied. See a Member's Benefit Booklet for details.
- ⁶ Rental benefits for medical equipment and other items will not exceed the purchase price of a new unit.
- ⁷ Services administered by a licensed medical doctor (MD), doctor of osteopathy (DO), physical therapist (RPT or LPT), licensed massage therapist (LMT), doctor of oriental medicine (DOM.), and doctor of chiropractic (DC) are covered. Rolfing must be provided by a certified rolfer.

Claims Administrator provides administrative claims payment services only and does not assume any financial risk or obligation with respect to claims, except as may be specified in the Agreement.

This is a summary only – please refer to the Benefit Booklet for more details.
