## **IMPORTANT INFORMATION YOU NEED TO KNOW**

Note: This informational sheet is intended as a summary to, and not a replacement of, provisions of the Retiree Health Care Act (Act) or NMRHCA Rules and Regulations (which can be found on the NMRHCA website: [www.nmrhca.org](http://www.nmrhca.org))

### **ELIGIBILITY**

**Eligible Retiree:** You are eligible to participate in the NMRHCA if:

- You receive a disability or normal retirement benefit from public service in New Mexico with an NMRHCA-participating employer, **and**
- You did one of the following:
  - you retired with a pension before your employer's effective date with the NMRHCA program, or
  - you and/or your employer (on your behalf) made contributions to the NMRHCA fund from your employer's NMRHCA effective date until your date of retirement, or
  - you and/or your employer (on your behalf) made contributions to the NMRHCA fund for at least five years before your date of retirement.(If you are awarded a duty-related disability retirement, you are not required to meet the NMRHCA's five-year contribution rule.)

**Eligible Dependent:** Eligible dependents include the following:

- a spouse. You must provide a copy of the marriage certificate.
- a domestic partner. You must provide a signed and notarized affidavit (available at the NMRHCA office).
  - domestic partners are enrolled similarly to spouses
  - dependents of domestic partnerships are eligible for benefits
  - we may ask for other written proof of the domestic partnership and/or dependents
  - if there is a termination of a domestic partnership, the retiree must notify NMRHCA in writing within 31 days of the termination
- a dependent child under the age of 26 including:
  - a natural child
  - a legally adopted child
  - a stepchild living in the same household who is primarily dependent on the eligible retiree for maintenance and support
  - a child for whom the eligible retiree is the legal guardian and who is primarily dependent on the eligible retiree for maintenance and support, as long as evidence of the guardianship is provided in a court order or decree
  - a foster child living in the same household as the eligible retiree

You must provide a copy of birth certificate(s) and court documents (if applicable) to the NMRHCA.

- a dependent child over age 26 who is wholly dependent on the eligible retiree for maintenance and support and is incapable of self-sustaining employment by reason of mental or physical handicap. The disability must have occurred before the limiting age.

Proof of incapacity and dependency must be provided within 31 days after the child reaches the limiting age.

- a surviving spouse (the spouse to whom a deceased eligible retiree/vested-active employee was married at the time of death) or a surviving dependent child of a deceased eligible retiree/vested-active employee.

## **ENROLLMENT**

- It is best to submit your application at least one month but not to exceed 60 days from your retirement date to allow adequate time for the agency to process your application.
- If you are enrolling more than 31 days after retirement underwriting approval for Life Insurance is required.
- Please be advised it takes a minimum of 3 business weeks for an application to process.
- You must enroll within 31 days following either your last day of current health insurance coverage or your retirement date that is on record with your retirement board; whichever is later. Your effective date of coverage will take effect on the first day of your official retirement or the first day of the month following the termination date of your current health insurance plan, again, whichever is later.
  - If you do not apply within this time frame, you will be required to wait until the next Open Enrollment period.
- You may enroll a dependent only under one of the following circumstances: (1) there is a change in status which makes someone newly eligible as your dependent (e.g., marriage, birth); (2) an unenrolled eligible dependent involuntarily loses his or her medical coverage; or (3) during an Open Enrollment Period. For newly eligible dependents, you must apply for dependent coverage within 31 days of the event that caused the new eligibility (copies of marriage, birth, or court documents required).

## **PURCHASING SERVICE CREDIT**

- In the 2009 legislative session, a bill was passed that requires payment of Retiree Health Care Authority (RHCA) contributions for service credit purchased from PERA and ERB toward retirement. Effective July 1, 2009, members who enroll in RHCA at the time of retirement must pay contributions on the PERA and ERB service credit before being eligible for insurance coverage.
- This contribution provision only affects members who are applying for insurance at the time of retirement. PERA and ERB will be providing RHCA with verification of a member's earned service credit and any purchased credit. RHCA will then calculate the cost of the RHCA contributions owed on the purchased service credit. Payment will be required for those retirees with less than 20 years of actual time worked and are purchasing time toward their retirement after July 1, 2009.

For further information, please contact the NMRHCA office for complete details of purchasing service credit.

## **SPLIT COVERAGE**

- If the retiree is covering a spouse or dependent(s) under their plan, they must have the same level of benefits as the retiree (with the exception if one of the members in the household is Medicare eligible and the other member is not Medicare eligible). For example, if the retiree selects the Premier plan, the spouse or any dependents covered by the retiree must also be on the Premier plan.

## **CANCELLATION OF COVERAGE**

- Subscribers may cancel coverage by submitting written notification to the New Mexico Retiree Health Care Authority (NMRHCA). Cancellation will take effect beginning with the first day of the month following receipt of notification by the NMRHCA. Effective date of cancellation is not retroactive.
- If a dependent becomes ineligible through joining the military, death, divorce, annulment, or legal separation, coverage ceases at the end of the month in which the event occurred. Again, it is your responsibility to notify us in writing and supporting documentation may be requested.
- If you cancel medical coverage, you must wait for the next subsequent Open Enrollment period (January 1st to January 31st of every odd numbered year with coverage effective January 1st) to re-enroll unless an involuntary loss of coverage due to a qualifying event has occurred (you have 31 days to enroll from the date of the qualifying event).
- If you cancel dental or vision coverage you must wait four years before enrolling again.

## **RETURN TO WORK**

- If you take new employment after your retirement or choose to be covered under your spouse's coverage, you may choose one of two NMRHCA options:
  - Delay or terminate your enrollment in the NMRHCA and take your new employer's plan or spouse's plan. Under this option, you will be allowed to enroll into the NMRHCA at a later date, if you apply within 31 days of your involuntary loss of coverage (see below for examples) and there has been no lapse in your comprehensive medical coverage since your retirement. You will be required to submit evidence of continuous coverage and involuntary loss when you apply for NMRHCA enrollment. **Examples of involuntary loss of coverage** are (1) termination of your employment; (2) retirement from your new employer, causing your employer to cancel your health care benefits; (3) cancellation of your health care benefit program by the employee; and (4) dissolution of the company.
  - Take the new employer's plan of benefits and enroll yourself and your eligible dependents into the NMRHCA, thus receiving health care benefits from both plans through the NMRHCA's and your new employer's insurance carrier's Coordination of Benefits Provision. Please note that the Retiree Health Care Act requires that the NMRHCA program of health care benefits be secondary to your employer's benefit plans. This means your claims will be paid primarily by your employer's insurance plan, and then the balance will be considered by your NMRHCA insurance plan.
- If your employer does not offer medical coverage, you will need to submit a letter from your employer verifying that no insurance is offered or available in order for NMRHCA benefits to remain as primary.

## **CHANGE IN STATUS**

If there is a change in your name, address, phone number, marital status, or dependent status, or if you wish to request a change in your benefit plans, life insurance beneficiary, or method of premium contribution payment, please call us immediately or visit our website to obtain a Change Request Form or submit a letter of request in writing.

## **Plan Terms and Definitions**

1. **Annual Deductible** – means the amount that must be paid (by you) each calendar year, toward covered services before health benefits for that member will be paid by the plan (except for certain services requiring only a copayment with deductible waived or preventive services).
2. **Annual Out-of-Pocket Limit** – means a specified dollar amount of covered services received during a benefit period that is the member's responsibility; after which the out-of-pocket limit is reached the plan pays 100 percent of benefits for the rest of the calendar year for covered charges.
3. **Calendar Year** (also referred to as benefit period) – means the period beginning January 1 and ending December 31 of the same year.
4. **Coinsurance** – means the amount, expressed as a percentage, of a covered health care expense that is partially paid by the plan and partially the member's responsibility to pay. The cost-sharing responsibility ends for most covered services in a particular calendar year when the out-of-pocket maximum has been reached.
5. **Copayment or Copay** – means the amount, expressed as a fixed-dollar figure required to be paid by a member in connection with health care services. Benefits payable by the plan are reduced by the amount of the required copayment for the covered service.
6. **HMO** (Health Maintenance Organization) – you can only go to doctors, other health care providers, or hospitals on the plan's list except in an emergency or when treatment is not available through an in-network provider.
7. **In-Network Provider** – means physicians, hospitals, and other health care professionals, facilities, and suppliers that have contracted with the health plan as in-network providers.
8. **Medicare** – means the program of health care for the aged, end-stage renal disease (ESRD) patients and disabled persons established by Title XVIII of the Social Security Act of 1965, as amended.
9. **Medicare Advantage Plan** – Sometimes called Medicare Part C. A plan offered by a private company that contract with Medicare to provide you with all your Medicare Part A and Part B benefits.
10. **Medicare Supplemental Plan** – means health care coverage that provides supplemental benefits to Medicare coverage.
11. **Out-of-Network Provider** – means a duly licensed health care provider, including medical facilities, which has no agreement with the health plan for reimbursement of services to members.
12. **PPO** (Preferred Provider Organization) – a type of health plan that lets you choose where you go for care, without a referral from a primary care physician or having to only use providers in your plan's provider network.

## Important Life Insurance Beneficiary Information

### If you name two or more Beneficiaries:

Two or more surviving Beneficiaries will share equally unless you provide for unequal shares. If you provide for unequal shares, and two or more Beneficiaries survive, we will pay each surviving Beneficiary his or her designated share. Unless you provide otherwise, we will then pay the share(s) otherwise due to any deceased Beneficiary(ies) to the surviving Beneficiaries pro rata based on the relationship that the designated percentage or fractional share of each surviving Beneficiary shares to the total shares of all surviving Beneficiaries. If only one Beneficiary survives, we will pay the total death benefits to that Beneficiary. If there is no surviving primary beneficiary then the benefit would be paid to contingent beneficiary(ies). If a minor (a person not of legal age), or your estate, is the Beneficiary, it may be necessary to have a guardian, or a legal representative appointed by the court before any death benefit can be paid. If the Beneficiary is a trust or trustee, the written trust must be identified in the Beneficiary designation. For example, "Dorothy Q. Smith, Trustee under the trust agreement dated \_\_\_\_\_". A power of attorney must grant specific authority, by the terms of the document or applicable law, to make or change a Beneficiary designation. If you have any questions, consult your legal advisor.
